

# Roy D. Graham Lifetime Achievement Award

---

## Rules and Eligibility

### **HISTORICAL BACKGROUND**

Not all Toastmasters achieve their DTMs. As of 2002, an average of 790 DTMs per year were awarded worldwide. When one considers that well over three million people have joined Toastmasters since its inception, the completion rate of the entire educational series is impressive.

In addition to achieving the DTM designation, service to the district and its members is an important part in bringing to life the mission of Toastmasters. For those who consistently go above and beyond, an award for lifetime achievement provides appropriate recognition. Because of the distinction associated with the award selection, recipients should represent the “model” Toastmaster of whom overall performance inspires others to emulate. It also highlights cohesiveness and unity in achieving goals that support the mission of Toastmasters International.

### **AWARD NAME AND ESTABLISHMENT**

“Dean” Roy Graham’s contributions to several districts in Region 10 and to the entire international organization were immeasurable. He dedicated 50 years of service to Toastmasters. He served as a District Governor in 1956 and as an International Director from 1958 to 1960. The legacy of service and leadership that he left behind embodies Toastmasters International’s core values: integrity, respect, service and excellence. The 1989-90 District One Council approved the establishment of the award and the criteria for eligibility and selection.

### **AWARD SELECTION COMMITTEE**

The Award Selection Committee will be composed of:

1. Current members of the Executive Committee
2. Previous available recipients of the RDG Lifetime Achievement Award

Toastmasters who are eligible for the Award shall not be members or chairman of the Selection Committee. Eligible members, who otherwise qualify for committee membership, yet wish to participate as a member of the Selection Committee, must disqualify themselves (in writing) for consideration. A Past District Governor appointed by the District Governor shall chair the Award Selection Committee. A Quorum for the Selection Committee shall consist of 1/3 of the total number of members available indicated in each item (1) and (2) above. *Selection requires a 2/3 vote of those present and eligible to vote.*

### **AWARD RECIPIENT SELECTION CRITERIA**

To select the recipient(s) of the award, the Selection Committee members shall:

- (1) Confirm that each nominee meets the minimum Eligibility Criteria.
- (2) Review the service record of each nominee, with particular emphasis on the year(s) of district-level service that qualified each individual as eligible for consideration.
- (3) Determine that each nominee on behalf of Toastmasters accomplished some notable achievement or the District related to the Distinguished District Program or other district management objectives.
- (4) Determine that each nominee exemplifies a professional image as representative of Roy D. Graham. Such professionalism includes dedication and commitment to the ideals and mission of Toastmasters showing selfless service and sportsmanship like conduct at Toastmaster functions.
