Dear Guest,

Thank you for visiting LAX Toastmasters! It is our great pleasure to have you join us today.

What is LAX Toastmasters? LAX Toastmasters, club #4051418, is an open Toastmasters club which chartered in June 2014. We're a diverse group of men and women who get together for an hour once a week to work on our communication and leadership skills in a fun and supportive environment.

What is the Toastmasters International program? Every Toastmasters journey begins with a single speech. During their journey, members learn to tell their stories. They listen and answer. They plan and lead. They give feedback—and accept it. Through our community of learners, they find their path to leadership.

Who can join LAX Toastmasters? LAX Toastmasters is open to all, regardless of workplace or skill level. We are grateful to the Transportation Security Department for giving us space to meet. Many members work for TSA, Los Angeles World Airports, and other nearby employers. We specialize in helping members achieve their career advancement goals.

How much does it cost? LAX Toastmasters charges no club dues. We collect Toastmasters International dues of \$45 every six months, and new members pay a one-time materials fee of \$21.55. Clearly, Toastmasters is a highly cost-effective program of self-development.

Are you ready? There's an application in this package. Just fill it out and give it to any club officer now, or take it home and fill it out at your leisure. Call John Rubacher if you have questions.

You're welcome to visit us at any meeting, any Tuesday at 12:30 pm. Please be sure to let John know you're coming.

Warmest regards,

The LAX Toastmasters Executive Board
