

WHERE LEADERS ARE MADE

Dear Future Toastmaster:

Congratulations on attending your first Toastmasters meeting! We are happy that you visited our Toastmasters club to see what Toastmasters is all about!

What you will experience today is something that could very well change your life for the better. I'm not exaggerating. I've seen it happen, not once but dozens and dozens of times each year. You'll be amazed how your world can change as you develop strong leadership and public speaking skills. Excellent leaders and communicators are always in demand at work and in our communities. Joining Toastmasters is a very smart -- and very cost effective -- investment in your future.

What You Get From Your Membership

Members that attend regular Toastmaster meetings and participate and give speeches will become more comfortable speaking in front of others. Their ability to speak "off the cuff" in business and social situations will improve. Members also improve in leadership skills, run effective meetings, provide effective evaluations, and much more.

Depending on what month you join, the Toastmasters dues are \$ 45.00 to join - \$20 is a *one time for on-line education*, new member fee includes selection of one on-line Path in our Pathways educational program. All Toastmasters educational materials is on-line, however, you can purchase printed materials in manual for \$25 for your selected path. Dual members of two or more clubs may select up to two paths or two sets of manuals if purchased separately. You may opt for a hard copy of soft copy of the Toastmasters magazine. After the initial one-time fee of \$65 the cost will be decreased to \$45 every 6 months. Fees are prorated based on the month you become a member.

Next Steps

The very first step is simply completing the Membership Application and giving it to our Vice President Membership. Look through this packet and see if you have any questions. Meanwhile, we'll be working to find a mentor to assist you in the process and help you with your first several speeches.

By being here today, you've taken the first step in charting a new course for yourself, setting your full potential free to bloom and grow, no longer held back by nervousness, shyness, or lack of confidence when it comes to public speaking and leadership opportunities. You will begin developing your public speaking and leadership skills at your very first meeting as a Toastmaster. The growth you will see in yourself and in your fellow Toastmasters, I promise you, will be amazing!

If you have any questions, please feel free to contact me.

Sincerely,
