2018 Fall Virtual Business Meeting Final Credentials Report and Election Results

Voter Roll: Ballots were sent via Election Runner software to **352** individual voting delegates who were members of the District Council. The District Council is composed of District Executive Committee (DEC) members, club presidents and club vice presidents education (VPE).

Ballots were **weighted** to reflect the number of votes each delegate had, since some individuals held office in two clubs, or in one club plus a DEC office. Total votes were **385**.

Calculation of Quorum: Of those 385 total votes, 49 were assigned to DEC members whose votes may not be used to calculate a quorum. Therefore, $385 - 49 = 336$ club presidents and VPEs received ballots.

A quorum is one-third of that number, or **112**.

Election Results: By the time the polls closed at 10:00 pm on Saturday, September 29, a total of **173** District Council members had voted. Some of them held weighted ballots, and the total number of ballots cast was **199**. Voter participation was 49%. District 1 had a quorum.
